COMMITTEE INTEREST

Our committees are the backbone of our organization. Be a leader in the community! Which committee will we see you on?

- Membership Committee:** The membership committee is responsible for seeking out members within the production community and maintaining relationships with our current members.
- Mentorship Committee:** Growing the infrastructure of the Florida production community is vital, and the Mentorship Committee works with industry professionals and local universities to create mentorship opportunities for those breaking into the industry.
- Programming Committee:** Produces a wide-range of programs for WIFT-FL members and industry professionals.
- PSA Committee:** WIFT-FL's members volunteer to produce one PSA a year for a charitable organization selected by review and consensus. This is a great way for members to gain production experience and share their talents with a deserving organization.
- Public Awareness Committee:** The Public Awareness committee is WIFT-FL's in-house marketing and public relations resource
- Scholarship Committee:** Oversees fundraising for and awarding of scholarship to promising students and members
