

Women in Film & Television-Florida Sponsorship Information

Become a **VISIBLE** Champion of
Women in Film & Television-Florida

Your contributions provide:

- Educational programs and special events each year, in which highly distinguished producers, directors, writers, craftspeople and industry leaders participate as guest speakers and panelists.
 - Seminars, training, screenings, job opportunities.
 - Workshops with "hands on" experience under the guidance of WIFT-FL's board members and industry professionals.
 - Internships and Mentoring programs that give individuals hands-on career experience and industry exposure.
- An opportunity to shape the future with the Women in Film Foundation, providing financial assistance to young women and men, who have aspiring careers in film, television, theater and media arts.
 - A broadened outreach program to:
 - Expand our forum of media and entertainment industry professionals.
 - Maintain and build a network of local, national and international contacts.
 - Promote the creative and technical achievements of those who set the standard for excellence in film, video and related media.
 - Encourage, recognize and celebrate member's contributions and achievements.
 - Advance the interests of women working in film, television and entertainment.

We could not do all of this without the support of our sponsors!
